

# Summer 2016 Yarn Catalog

# Halo

Halo is a lace weight brushed Suri Alpaca yarn. While it looks like mohair, it has an amazing softness with none of the itchiness that you might find in mohair. Halo comes in 50g balls with an amazing 514 yards!

Halo Watercolors come as 25g hanks in 15 scrumptious shades

78% brushed suri alpaca, 22% nylon

## Classic Shades

## Hand-dyed Watercolors

## Classic Colors

# Suri Elegance

Suri Elegance is a lustrous suri alpaca lace weight yarn. It is unparalleled in quality. Each 100 g hank is approximately 875 yards.

HD behind the color number indicates that we hand dye the color - there will be subtle color variations in the skein

100% suri alpaca

## Hand-Dyed Colors

# Mariquita

Mariquita is a luxurious blend of 50% baby alpaca and 50% tencel. It has a subtle shine and a beautiful drape. Perfect for shawls, scarves, and lightweight garments and accessories. Each 100 gm skein is approximately 400 yards.

50% baby alpaca, 50% tencel

# Paca Peds

Paca Peds have been updated for 2015. Now each luxurious skein contains 400 yards of a blend of alpaca, super wash wool and nylon. This combination creates a super soft yet durable sock yarn that is a treat for your feet. Choose regular Paca Peds or Paca Peds H-T. The H-T stands for Heels & Toes and means the skein comes with a coordinating 100 yard hank for colorful heels & toes or shawl edges.

65% superwash wool, 20% alpaca,  
15% nylon
